Mr. Morgan, from the Select Committee, reported his bill on the electoral count, which was calendared.

Mr. Edmunds said that he and Mr. Teller now concurred.

Mr. Morgan reported adversely his bill requiring the President of the Senate to submit to the Senate and House, when assembled to count electoral votes, all packages of electoral votes, which was indefinitely postponed.

The bill establishing a retired list for non-commissioned army officers, was taken up.

Mr. Dawes' amendment, requiring the President annually to appoint five cadets, at large, to West Point, being substituted for Mr. Allison's bill, requiring him to appoint two colored cadets, was rejected.

Mr. Hoar's amendment requiring the President not to discriminate against the roll on the appointing of cadets was rejected.

Mr. Kirkwood moved an amendment to the bill, that when an enlisted man has served as such fifteen consecutive years in the army honorably and faithfully, and for the last five years thereof as a non-commissioned officer, he shall be eligible to appointment as second lieutenant in the army corps of the line in which he had served. He wished to hold out to private the prospect of an honorable advancement. The amendment was adopted. The bill was read the third time and passed.

HOUSE.

The District of Columbia Municipal bill was resumed. An amendment requiring 75 per cent of police force to consist of war veterans was adopted, 95 to 79.

SPRINGFIELD CONVENTION.

Springfield, Ill., May 20.—The Republican State convention began the second day's session at 9 o'clock in the morning, with every inch of standing room on the floor and in the galleries occupied. The committee on credentials reported, recommending the settlement of the contest in Greene county by admitting four Grant and four Blaine delegates and giving each a half vote. This was approved and the delegates admitted. The chair stated that the convention would not be able to report on Cooke county contest for at least two hours, whereupon a series of motions to adjourn and to take a recess were made. Robbins of Adams county on behalf of Blaine and Washburne men said the only way of getting any report from the convention was by relieving it of part of its labor. He therefore offered a resolution instructing the convention to not consider the claims of any contesting delegates who bolted from any convention which met at the place and time designated by proper authority. This hit at the Palmer House delegation was received with tremendous cheers, by the Elaine and Washburne men and a motion to table this motion occasioned louder applause from Grant men. A call of vote resulted in tabling the resolution by 351 to 251, showing 100 majority for Grant men, outside of Cooke Co. The convention took a recess for 1 hour.

London, Eng., May 20.—Isenamy won the Manchester cup; Abbott, 2d; Horizon, 3d.

Springfield, Ill., May 20.—The committee on credentials met at half past eight o'clock and resumed the consideration of the Cooke County contest. Mr. Kirk Hawes presented a written statement in opposition to the Farwell Hall delegation, and relative to the pledge required by the Convention to abide by its decision, as follows: The delegates from the County of Cook, from a regular convention held at Farwell Hall, denying for themselves and constituents, any lawful power in the convention, or in this committee, to impose on any contestant any conditions whatever, precedent to rendering justice according to law and equity as well: do hereby submit under protest, the resolutions, as we understand it, for an unorganized convention in which we are not permitted to take part; and, secondly, to prevent disfranchisement.

The Committee on credentials decided by a vote of eleven to six, that the statement of the Farwell Hall delegation is a sufficient one. An hour was allowed each side to present evidence and arguments which was concluded at one o'clock. The committee is now in secret session.

INDIAN MATTERS.

San Francisco, Cal., May 20.—The following dispatch was received by the staff officers of the department in Arizona, in answers to enquiries about the reported outbreak of Indians in San Carlos:

San Carlos, A. T., May 20.—There has been no outbreak of reservation Indians on the San Pedro, to my knowledge. Eskiminzine and Engully have been here since Thursday. There are seven Indians only, absent from the reservation, and they are at the San Pedro and Aravaia reservations, with permission to cultivate lands; and I know of none absent without passes.

(Signed) A. R. CHAFFER, Acting Agent.

New York, May 20.—Thomas Price of San Francisco has examined the water supply of the Central Arizona mine and reports to the officials of the company, by telegraph, as follows: The owner has a stream of 50 inches, which will furnish 750,000 gallons every twenty-four hours, while 250,000 gallons are amply sufficient, for all requirements of your eighty stamp mill. The plans conveying water to the mine are good and will succeed. The officers deny, that they have been buying stock lately.

THE CONVENTION.

San Francisco, May 20.—The workmen's convention completed its business before daylight. Branchhart's substitute to the first section of the constitution was voted down and the original adopted with remainder of instrument. The convention then elected four delegates at large to the Greenback Labor Convention; Dennis Kearney, of San Francisco, A. Musselman, of Saloma, John H. Robinson, of Santa Clara and Stephen Maybell, of San Francisco, and adjourned sine die.

San Francisco, May 20.—The Democrats of the third congressional district have nominated C. P. Berry for Congress.

Rome, May 20.—The Ministerialists majority increases daily, as the members announce their resolve to support the government.

Richmond, Virginia, May 20.—The Conservative convention will adhere to the two-thirds rule. A resolution was adopted that the Conservative party, with the national Democratic party, would not support any one for election who did not declare in favor of the nominees of the National Democratic convention.

Rome, May 20.—Almost complete results of the election for members of the Chamber of Deputies show that the Constitutionalists have 120; Ministerialists, 173, and the Dissident, left, 61. The second ballot is expected to make the figures 176, 249 and 82 respectively.

Madrid May 20.—In the Chamber of Deputies the minister of the Interior in reply to a question whether the latest from Cuba was of grave character, said: "When Martinez Campos resigned, 8,300 insurgents were decimating the country. Now there were only 600 in the whole island."

ROWING MATCH.

Washington, D. C., May 20.—Hanlon received his \$6,000 to-day. Riley and Hanlon will row next week. The winner to get \$2,000.

Santa Fe, May 20.—A letter to the New Mexican from Fort Wingate states that on the 18th a party of drunken Navajo Indians attacked the buckboard near Blue Water, pulled the driver off, cut the mail sacks open, and drew a knife across the drivers' throat. There was a large package of silver in the mail which the Indians did not get. Fears are expressed that this is a premonition of an outbreak on the part of the Navajoes, encouraged by the successes of Victorio's band. These Indians can not now be whipped by the small number of troops in the Territory and if reinforced by the Navajoes, 10,000 men will hardly be able to subdue the rising. The present insubordinate spirit of the Navajoes attributed to not liking the agent and letters have been sent to the Interior department, signed by all the employees asking that he be removed or their lives are not safe.

London, May 20.—Patrick J. Smith, recently elected Home Rule member for Tipperary, placed his resignation in the hands of his constituents. He says events since his election bring home to him, forcibly the truth, that he is not in harmony with what appears to be public opinion in Ireland. In a speech, at a meeting of conservatives, at Bridgewater House yesterday, he stated that Beaconsfield admitted great surprise at the result of the election and took upon himself part of the blame for the dissolution of parliament, but said the party was not blameless as the defeat of the conservatives was greatly due to the lamentable deficiencies in the organization, which he trusted would be remedied in the future and with that view he suggested the appointment of a committee with W. H. Smith as chairman.

The rumors of the retirement of Beaconsfield from the leadership of the party are unfounded. If the party considered his retention of the leadership an advantage; whatever ability he possessed would be devoted to their service. Lord Carnarvon who was warmly cheered said he succeeded from the Government in consequence of the difference with his colleagues upon the single measure of the composition of the new ministry, which filled him with doubt and dismay and he felt it his duty to support the conservative party to the utmost of his power. The controversy about the recall of Sir Bartle Frere threaten to create considerable dissatisfaction within the Liberal party. Several advanced Liberal newspapers including the Pall Mall Gazette are clamorous for his recall and point out that the members of the present government strongly censured the Beaconsfield cabinet for retaining him, after blaming him for precipitating the Zulu war at the time.

Denver, Col., May 20.—Every ward in Denver and Littleton and two outside precincts, all that have been heard from up to this hour, send solid Grant delegations to county conventions.

Omaha, May 19.—The Nebraska Republican state convention met at Columbus Neb. last night at 7 o'clock and had an all night session and adjourned, at 5:30 this morning. The delegates elected are, Dawes, Mitchell, Crowne, Persinger, Gastin and Lewis, all solid for Blaine. A resolution carefully considered was one pledging the support of the delegation to the Chicago convention to support the nominee.

ARRESTS.

Washington, May 20.—Gen. Pope telegraphs that he has arrested Capt. Payne and his followers, for invading the Indian Territory, in violation of the President's proclamation. He is holding them for instructions.

RACES.

Washington, May 20.—Races, one and a quarter mile; S. Cotilla, won; New York Weekly, second; time 2:71.

Two mile dash. Checkmate, won; Glenmor, second; time 3:35. 1-4. Mile heats; Vagrant, won; Edwin A. second time 1:43-4: 1:44-1-2 1:45. Disturbance Wm. Steeplechase.

San Francisco, May 20.—The platform adopted by the Democratic State Convention resolved first; that it endorses the platform of the St. Louis Convention; second, that it denounces the fraud by which Hayes and Wheeler were declared President and Vice-President; third, that the leading issues of the present campaign are the vindications of the right of the people to self Government.

THE UNAPPRECIATED FIELD.

New York, May 20.—The Times in a column long editorial headed "The Unappreciated Field," reviews the action of the California workingmen's convention in nominating Sherman and says: As a newspaper candidly observing the drift of popular feeling and swayed by no interest in the Democratic scramble for the honors of the nomination, we must say that Mr. Justice Field is more likely to be struck by lightning than to be nominated for president. Greatly desiring the defeat of the democracy in the coming campaign, it would give us sincere pleasure to see Field the nominee of the Democratic party.

J. P. Paige, a California operator, who joined the New York Mining Exchange about six months ago, yesterday announced his inability to meet his engagements and the following shares were sold out for his account under the rule. Three thousand and ten calaveras, 1,300 American Flag and 800 Hukil.
